

**PENNSYLVANIA BARBER  
AND COSMETOLOGY  
ASSOCIATION**

We are pleased to announce some exciting changes for the cosmetology professionals of PA. The state level of the national foundation (formerly known as NCA of PA) has been reorganized and formed to be independent of the national organization. The newly incorporated Pennsylvania Barber and Cosmetology Association has been formed to better serve the needs of our statewide members. The services and promotions you have come to expect have been updated and expanded to focus on addressing the concerns of a regional level.

The ultimate goals of the PABCA are maintaining the professional status of the cosmetology industry, supporting your career development, and providing you with the tools necessary to be a successful member of our trade. Our focus is on you, the professionals who live and work in Pennsylvania. As neighbors, we know the needs and concerns of the region and can tailor our programs to meet those demands. Our membership fees are affordable, and with a sliding scale for corporate, school, and salon members we can ensure our benefits are accessible for everyone.

Your membership in the Pennsylvania Barber and Cosmetology Association includes:

- Professional promotion of our industry and its members
- Statewide group-rate insurance programs including liability, tanning, & workmen's compensation
- Educational events, seminars, competitions, and tuition discounts to advance your skills and career
- A brand new web site and member directory with advertising placements available
- An active Legislative Committee for awareness on cosmetology regulations and legislation
- Professional publications including association newsletters and trade magazine
- Discount program offering incredible savings exclusive to our members
- Opportunities to give back to our communities through public service programs
